

Montville Recreation Department's  
**ENGINEERING & TECHNOLOGY**  
**CLASSES**

*by Computer Explorers*

**MOVIE MAKING (Grades 1-6)**

*These programs welcome new and old students. A new challenge awaits all!!!!*

**Moviemaking 101—Wizards and Magic Movie (Grades 1-3)**

What's the next adventure for Harry Potter, Ron, Hermione? It's up to you! We will create our own Harry Potter™ and wizards movie. We will add some magic and use special movie making cameras and software. As directors and producers we will work in teams to create our own story and script, build various Harry Potter™ Lego® and wizard scenes and film our own movie. We will use graphic editing techniques and stop motion animation, add background noise and music, and show our movie at a private screening on the last day of class.

All students will get a copy of their movie.

**Lights, Camera, Action—Let's Explore the Deep Blue Sea (Grades 4-6)**

Do you want to be the next Steven Spielberg? Using your own imagination, creativity, special digital movie making cameras, software, props and Lego sets, you will create your very own Underwater Sea Adventure movie! You will become part of a team of writers, photographers, directors and producers and create your own story and script, build various underwater scenes and film your own movie. You will use graphic editing techniques and stop motion animation, add background noise and music, and show your movie at a private screening on the last day of class.

All students will get a copy of their movie.
