

Montville Recreation Department's
MATH
ENRICHMENT

WHO: Students in Grades 1st – 5th

WHAT: **NEWTON'S LAW** Learning Center is an after school Math Enrichment program designed to help the student master the fundamentals of math. The program is designed to work in conjunction with the material learned at school. The program is individual, where the student will advance at his/her own pace. **NEWTON'S LAW** is not a private tutoring program, nor a quick fix for any difficulties the student might be experiencing. The student will take a placement test to define the starting point of the program. The student will attend the center once a week, and take worksheets home for daily practice of the subject. The program will be adjusted to the individual pace of each student.
